

## CONTRACT FARMING OPPORTUNITY DERBYSHIRE

Modern dairy unit with 4 Lely A5 robots and ancillary equipment.

Excellent facilities including state of the art housing for 245 milkers (sand beds and yokes) plus youngstock and dry cow accommodation.

285 acres of productive grassland on a multicut regime and wholecrop cereals + 25 acres in CSS scheme.

Herd currently yielding over 12,000 litres. Preference would be for contractor to purchase cows and youngstock at start of agreement.

Muller milk contract.

Accommodation available on farm by separate negotiation.
